

Marching Band Credit or No Credit Form

Dear Butler Band Parent,

Marching Band is offered as an after-school activity in which students will receive a letter grade (which will be included in the GPA calculation) and 1.0 unit credit upon successful completion of course requirements. Most students choose to participate in Marching Band “for credit” as a good grade in the course will help boost the average student’s GPA. In situations where a student takes all advanced placement and honors classes, participating in marching band for “non-credit” may be advantageous to their overall class rank.

In completing the form below, you and your student are indicating that the student will join Marching Band as a volunteer participant for this school year. Although grades and credit will not be received, participation will be indicated on a student’s transcript. Volunteer members will be held accountable to the same standards as those students receiving grades. Full participation is required and students must uphold all policies and procedures outlined by the Charlotte- Mecklenburg Schools and the school instrumental program. Failure to do so may result in discontinuation in the program.
