The Family Contact named above will be issued a membership card which will allow free entrance to the remaining band concerts of the school year to the family members listed. "Family members" are relatives living at the same address. Parents living separately, grandparents and other relatives not living with the student are asked to either have their own membership or to purchase individual tickets at each concert. Tickets sales and Booster Club membership dues are important fundraisers for the Booster Club. All proceeds directly benefit the Bands of Butler. We appreciate your understanding and cooperation.
